

Notice about Housing on Roanoke College Campus

We have been advised by Roanoke College that the dormitory rooms in Wells 1, 2 and 3 will not be available for use at the 2008 Synod Assembly. As a result of this, we will have only a very few rooms that are handicap accessible.

Attendees at this year's Assembly will be housed in Marion, Caldwell, Allegheny and Ritter, for the most part – although we will have access to Yonce 4 and 5. Before requesting housing in Yonce, please consider if your request is due to ***need*** or to a ***desire*** to be closer to the activities, keeping in mind that there are those who will have a need to be closer to the activities. Thank you for your consideration!

On the reverse of this notice is a listing of hotels/motels in the area who have agreed to hold blocks of rooms for people attending the Virginia Synod Assembly, and the rates they will charge for Assembly weekend.
