Power in the Spirit is an inspirational conference for people of all ages who wish to explore God's call to service through joyous worship, Bible studies, keynote addresses, workshops, games, and fellowship. In addition, congregational leaders—teachers, organists and choir directors, choir members, committee or council members, family life consultants, deacons, pastors, and others—will find Power in the Spirit nurturing and challenging as they consider their mission and ministry.

In the gospels, Jesus draws crowds wherever he goes. People who would otherwise have nothing to do with each other are drawn together in the practice of seeking him. We will look at a vision of the church that has this kind of seeking at its center. Come and explore the theme of Seeking and Finding as it appears in Scripture and in our own journeys of faith. Together we will see how our seeking Jesus (and his seeking us) is the common ground we need to love one another across all the issues and life experiences that threaten to divide us.
