

SEVEN REASONS WHY YOU SHOULD ATTEND SEVENTH DAY

Who doesn't love to be active? We all have wiggles we need to get out sometimes and the movement module allows you to do that. Games, activities, and fun galore during movement at 7th Day.

Every year at 7th Day there is a theme passage for the event. The passage comes from the Bible and our Story module provides all participants with an INTERACTIVE look into the weekend's story.

The Crafts module at 7th Day is a fun way for you to get hands on with different parts of the weekend's theme. You're guaranteed to leave with an awesome souvenir creation (or two, or three!) because of our awesome Crafts module.

At every VA Synod Youth Event you can count on there to be lots of amazing singing. If you don't know the songs, don't worry! We're going to teach them to you in our Music module and in large group. You'll be pros by the end of the weekend!

There are so many new people to meet and get to know at 7th Day. Hang out with old friends from your church and meet NEW friends in your Shepherd Group (fyi: your Shepherd Group is who you go to all the modules with) You're bound to have a great time!

Every youth event is planned by some AWESOME youth who help create the theme, choose the event passage, and perform some incredible skits. These youth act out the weekend's theme and bring the story to life!

After a long day of fun and fellowship, everyone returns to their cabins for Cabin Conversations. You'll be staying in a cabin with other people from your church and maybe some people from another church. Cabin Time is another fun way to meet new people and talk about how 7th Day is going.
