HOPE WHERE YOU MIGHT NOT THINK IT EXISTS.

WHAT DO YOU WANT TO BE WHEN YOU GROW UP?

Finding Purpose, Ministry, and Mission with Senior Adults
How can we, in the Family of Faith, help our senior adults find renewed purpose in their lives, Mission and Ministry as they discover their new identities? Seniors are struggling with identity just like our youth are; who am I now that I am retired, now that I don't live in the same home I've been in for 40 years, now that my independence has changed?
